Interior Designer

Everything in a  
space ambience is a  
piece of a story.

*Mhd Al Sidawi  
Interior Designer*

*An Interior and Furniture Designer based in Istanbul/Turkey, graduated from Damascus University / Syria, Faculty of Fine Art in 2011.*

*Worked on various (Residential, hospitality, and commercial) local and regional projects during practice in Damascus and Istanbul.*

*With an aim to create beautiful and functional spaces and objects that tell a story and reflect culture and traditions.*

*Held bronze A' Design Award for Furniture, Decorative Items and Homeware Design Category in 2017 (Flipp Chair).*

*For last couple of years Mhd is focusing on turn-key luxury residential projects with being based at Istanbul which is a manufacturing and import/export hub with highly qualified artesian ateliers, He's offering a trailered design and services for both local and regional clients.*

## **TURNKEY PROJECT**

*In which we start the project together through all stages from design to execution so that the space is available to you in a ready-to-use condition.*

*From the initial meeting and translating your needs and requirements to a design and blueprints.*

*From construction works to manpower managements; from procurement of raw materials to manufacturing furniture, maintaining high standards of quality control, and delivering the finished project on time, putting you at ease of the progress yet keeping you informed on all stages.*

## **CONCEPT DESIGN**

*Offering visually appealing 3D interior rendering services in addition to CAD drawings, furniture specification and material board.*
